

**StarChase**

**REDUCE RISK. SAVE LIVES. PROTECT COMMUNITIES.**

## HANDHELD GPS LAUNCHER

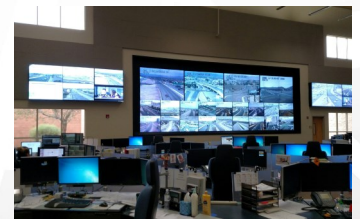

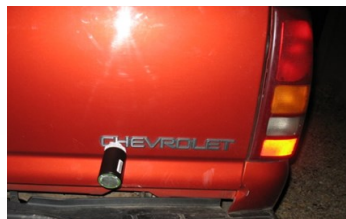

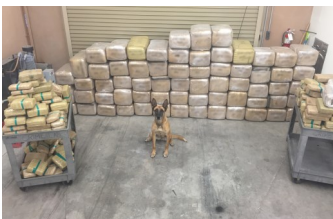

The Handheld GPS Launcher solution provides a mobile alternative to our Vehicle Mounted GPS Launcher. The same great features and functionality in a hand-held platform, The Handheld GPS Launcher provides a cost effective, safer alternative for law enforcement during pursuit related events.

### APPLICATIONS:

- Auto Theft Recovery
- Special Operations
- Investigations
- Patrol Operations
- DUI Checkpoints

### UNLIMITED BUNDLE:

- GPS Live Projectiles
- Mapping Access
- Data and Reporting Features
